

BITTERMENS SPIRITS

Commonwealth

Style	Tonic Liqueur
Flavor Profile	Concentrated Tonic Water
Production Process	Maceration of herbs, spices and citrus peel in neutral grain spirit, sweetened with sugar
Primary Ingredients	Wild Harvested Cinchona Bark, Kaffir Lime, Organic Citrus Peel, Citric Acid
Federal Classification	Liqueur/Cordial
Product Size	375 mL 12 bottles/case
ABV	21%
Description	A classic tonic cordial - mix it 4 to 1 to 6 to 1 with soda water for an off dry tonic water with an alcoholic kick!
Pairings	Gin, Old Tom Gin, Vodka
Classic Cocktails	Gin and Tonic, Vesper
EAN-13	0608866961918
Notes	Add a splash to Lillet Blanc to approximate the flavor of Kina Lillet - a product that is no longer made but essential for the production of a Vesper cocktail. NYISC 2011 Bronze Winner.

All Bittermens Sprits are produced by Bittermens staff at Mazza Chautauqua Cellars in Mayville, NY (near Erie, PA).

Bittermens Spirits contain no glycerin, artificial colors, artificial flavors or propylene glycol. They are sweetened with cane sugar.

Bittermens sources primarily organic or wild harvested botanicals for use in its products.
