## Dwam/Ipomée

### Artist

Dwam is a celebrated artist and jill-of-all-trades based in Nantes, France. By day, she's an amazing tattoo artist and photographer. When she's not in her studio, she's a model, illustrator, comic book artist and watercolor artist.

"I wanna try it all, taste every flavor, travel everywhere, choose every color. Life is too small for me."

Dwam's art graces the labels of the Bittermens Spirits line as well as on the labels for the Bittermens Orange Cream Citrate, Orchard Street Celery Shrub and Hellfire Habanero shrub (as well as on Avery's leg and Janet's shoulder).
